👤 Profile

I am a passionate and dedicated **Computer Science** student with a keen interest in software development. I am currently learning the **MERN** Stack technology and looking for mentorship from industry leaders to further enhance my skills and knowledge. I am open to collaborative opportunities to exchange insights and expertise.

- Seeking a dynamic and challenging opportunity to gain hands-on experience through a non-paid internship
- Eager to learn and grow in a professional setting by collaborating with experienced professionals
- Committed to developing skills and knowledge through practical application and mentorship opportunities
- I do not have any previous work experience with any company.
